Additional Information: Boat Share August And September 2016

The last week in August and the first week in September, 2016, give a fortnight of prime summer weeks usage with this share for this year. There are up to 6 weeks sole usage per year with a 1/8 share.

#### Squadron 52

This 1/8 share is currently available in this professionally maintained, syndicated Fairline Squadron 52 moored in Alcudia, Majorca.

#### Mediterranean

Owned by Syndicate Members, she is one of a small number of syndicated boats in the Mediterranean at this price.

#### Mooring

Moored stern-to, on a private jetty to which only boat owners have access, her marina position catches the last rays of the setting sun.

### Style

The boat herself is unusual in that she offers a more spacious two cabin layout. She also benefits from a large swimming platform and Avon jetrib.

She was commissioned in 2001 and was most recently refurbished last season. It is generally accepted she was ahead of her design time, so can still hold her own in the looks department!

### Professionally Maintained

The boat is maintained and prepared locally by professionals in the port. Arriving to a beautifully presented boat, you can have fresh flowers on the table and wine chilling in the fridge.

Annual maintenance, including pre-season service, on-going cleaning and general repairs has, in past years, cost between £5,000 and £6,000 per 1/8 share.

### The Syndicate

The syndicate is looked after by a Boat Manager and Treasurer. Management accounts are provided regularly, so each Syndicate Member knows where their agreed expenditure has gone and what is left in the kitty!

### Alcudia Drone Flight

Alcudia itself is in two parts, the old town and the marina and port. To see the port, and where our Squadron 52 is moored, click on the link for a drone flight <http://youtu.be/bPa57D8aTUK>

### Want To View

Syndication offers a delightful way to spend up to 6 exclusive weeks of the year at a fraction of the single ownership cost.
